## Introducing the Trustees Society

Our most prestigious Annual Fund Society, the Trustees Society is made up of men who give \$1,000 per year, over their normal level of support, for at least 3 years.

Their gifts are used to cover Foundation operating expenses, and more importantly, expand the Foundation's fundraising efforts for educational programming, international scholarships, chapter account scholarships, and chapter housing renovations.

These men have made an investment in the Foundation and will see their investment returned in the form of a better and stronger Delta Chi.

Our ultimate goal is 1,000 brothers giving \$1,000 a year to support this program.

Charter members of the Trustee Society receive a specially designed lapel pin and continual recognition in Foundation publications and are posted on the Foundation website.

The first 100 individuals who fulfill the three-year commitment are designated as **"Charter Members"**.

One may join the Trustees Society by making a one-time gift, a transfer of stock, or monthly credit card deduction.
