Dear Brother at War,

I am privileged to be the POC (Point-of-Contact) for **D-Chi Fraternity's on-going program to recognize, salute, reward, and honor all of our Brothers deployed in combat military operations in the past as well as the present.**

The program provides a D-Chi **Challenge Coin**, and HQS D-Chi will send you one. Please send me your USPS address in the U.S.A. that you want us to use in order to send you your COIN. Also please provide the name of your Chapter. Do send me a few sentences and e-pictures of you doing what you do / did while deployed in the Military.

Over 200 Brothers at War have contacted us—I suspect that there are more. If you know of other Brothers at War in any Branch of our Military, please send me their email addresses or ask them to email me.

The Delta Chi Fraternity supports and admires our Troops. We are very proud of you for serving our great Nation, and we salute you.

For your information The DELTA CHI *QUARTERLY* is on-line at: deltachi.org.

CIAO and Fraternally,
