

Presentation Ceremony Graduating Senior Academic Cord

Note: The presentation of a graduating senior's academic cord should occur as close to graduation as possible (within one or two weeks) and should be performed in front of the entire chapter so that everyone can acknowledge the individual's success. The presentation should be done by the Chapter "A", with support from the "BB", ABT President, Faculty Adviser, or Scholastic Adviser. Multiple recipients can be done at the same time by changing the appropriate single case words to the corresponding plurals.

Today, we are proud to recognize a brother who has successfully fulfilled his requirements to graduate and who has done so with extraordinary results.
